SHOTMAX 2 SPEED!

UPGRADED ITEM AT SAME LOW PRICE!

**QUIETER, LONGER
LASTING, GREAT FOR
SMALLER AREAS, MORE
VERSATILE!**

Low speed: Confetti comes out slower, making the effect last longer. Great for smaller areas, where you don't need a 25' throw. Low speed also offers quieter operation. High speed still available on this machine!

Note: CITC prices will be going up January 1st. Put your orders in asap!
